BUY, SELL, DISPOSE OR RECYCLE YOUR IT ASSETS

**First,  
Let's talk about you.**

# If you're like most of our clients...

...You hate paying for disposal when your IT assets are no longer useful.

...You want your devices disposed of properly, including safe data erasure and eco-friendly e-waste handling.

...You love to get the most for your money when buying IT equipment.

**We get it.  
Here's how we  
can help you.**

- We pay you for your excess IT assets—including servers, laptops, networking equipment and more—anywhere in the US.
- We provide full data destruction services and abide by eco-friendly R2 Responsible Recycling standards.
- We sell refurbished, satisfaction guaranteed IT assets from top brands, including servers, laptops, VOIP, storage equipment, networking, switches and more.

# Our Most Popular Services & Brands

- 1 Data Center Decommissioning
- 2 IT Equipment Liquidation
- 3 IT Asset Disposition
- 4 E-Waste Recycling
- 5 Refurbished Device Sales
- 6 IT Equipment Buybacks
- 7 Hard Drive & SSD Shredding
- 8 Data Wiping

12+ years, GreenTek has partnered with small and large businesses nationwide to help them purchase, sell and recycle IT assets.

Providing secure data destruction, safe e-waste disposal and friendly service, we've earned our spot as the go-to partner for clients in business, education, government, healthcare and other industries.

# Why Our Clients Choose Us

Unlike other ITAD vendors, we pay you for your excess IT assets, reducing costs and offsetting equipment purchases.

We are experts in data destruction, providing full documentation, adhering to safe data handling practices and carrying extensive insurance protection for ourselves and our clients.

We help you find and purchase quality, refurbished tech with a 100% money back guarantee and free domestic ground shipping.

# What Our Clients Say

"From beginning to end, it was an absolute pleasure doing business with Greentek solutions!  
Quick and comprehensive response, friendly interaction, and a fast turn-around..."

**- AWARD SOLUTIONS**

"GreenTek is a professional company to work with. They arrive on time and pick equipment fast. They are a reliable company to have working with us. GreenTek goes out of their way to accommodate different requests that may be asked of them."

**- JAVIER BEUTELL**

"Great communications, quick transaction and they honored their offer after sending in equipment. Turn around was just over 24 hours and was given a detailed report. Highly recommend and will be doing business with them soon"

**- JAMES LANDI**

# The “Green” in Greentek isn’t just for looks

- We properly recycle or refurbish IT assets, diverting 190 tons of material to reuse and extending the lifespan of 33,607 devices in 2021 alone.
- Our methods ensure harmful pollutants in devices are safely processed, with strict standards regularly checked by third-party audits.
- We contribute to the circular economy as we refurbish, recycle and resell items, preventing carbon-intensive mining, pollution and waste.

**In 2021, we prevented 500 tons of greenhouse gas emissions, the equivalent of removing 95 vehicles from the road each year.**

# Our promise to you

---

- Fast, friendly communication at every step of your experience.
- The highest levels of secure data handling, following hipaa, nist 800-88 and naid guidelines, including insurance against data breach, environmental pollution and general liability.
- Eco-friendly processes that follow legal, environmental and regulatory best practices. We only have one earth!
